

Group Blood Donation

Dear NWCU Members,

You are invited to join our staff to donate blood at Winnipeg Blood Clinic (777 William Ave).

Date: Wednesday, October 17th
Where: Shuttle pickup - 310 Leila Ave.
Departure: 10:30 am
Return: 12:00 noon

Please note: Winnipeg Blood Centre will have questionnaires and tests to determine if you are eligible to donate and they will determine your blood type. You can find out if you are eligible by going to website: <https://blood.ca/en/blood/abcs-eligibility>. This process including transportation should take about 60 to 90 minutes. The shuttle will drop the group back at 310 Leila Ave.

All blood collected in Manitoba typically stays in Manitoba, which means your blood donation is more than likely helping support a friend, family member, or neighbour of one of our members.

If interested, please reply **by October 10th** by email valentina.dubovik@nwcua.mb.ca, or phone Valentina
