September 28, 2020

The safety and well-being of our members and employees remains our top priority.

Anyone visiting our branches and offices must wear a mask, and if you don't have one, we would be happy to provide a disposable mask upon request.

We will continue taking measures already set in place to ensure the well-being of our members and employees at all of our locations, including:

- Practicing physical distancing
- Increased sanitization
- Partition dividers in areas where closer contact is required
- Having employees stay home if feeling un-well

Help us to our part to keep our community safe.
